

ELECTRIC ROTISSERIE COMPANION

Holding companion accessory has a capacity of 8 pans and uses Halo Heat® that gently maintains food temperature without drying or overcooking food. Designed to be used with AR-7E rotisseries

STANDARD FEATURES

- HALO HEAT... a controlled, uniform heat source
- Smart styling, advanced design.
- Adjustable thermostat and temperature gauge monitor inside air temperature.
- Solid state electronic control option simplifies temperature setting, has a clear, easy-to-read LED display, and is adjustable in increments of 1 degree.
- Stackable with an identical holding cabinet or matching rotisserie oven. Solid st prevents further heat loss.
