

Brema's IC range offers self-contained ice machines for bench top, under bench or free-standing installation. These machines produce attractive, crystalline cubes weighing 13g which rapidly chill and enhance the appearance of any beverage.

The Brema IC24A is a bench top ice cube machine that produces 26kg of ice per 24 hours and has storage capacity of 6kg.

The IC range of self-contained ice cube machines is the perfect fit for in cabinet installations as the machine breathes in and out through the front.
