

The Garland Heavy Duty Restaurant Series is a commercial range engineered for unmatched performance and durability.

Garland's exclusive cast-iron Starfire Pro® burners combine speed with precision and even heat distribution to improve efficiency and control. All burners in the range are made of cast-iron for better heat retention and lasting durability. Featuring stainless steel construction with a large front 127mm 'plate rail' and backguard that matches the other Restaurant Series units giving a sleek clean finish.

Item GF24-2G12T is a combination range model with 2 burners, 300mm griddle modular top.

STANDARD FEATURES

- Manual ignition for all open burners
- 300mm stamped drip tray with dimpled base
- Gas regulator
- Set 4 legs for countertop mounting
- Available in Natural or Propane Gas

2 piece burners are easy to remove and clean with protected individual pilot lights and flame failure as standard. Large 686mm deep work surface fits two 300mm pots easily and grate design allows pots to slide across the surface easily. Premium 15mm thick griddle with powerful cast iron 'H' burners for even heat distribution. Large easy-to-use control knobs sit flush to the 'plate rail' and the unit can sit on top of the optional stainless steel stand with storage shelf.
