

Garland Instinct Countertop 8kw Induction wok cooker has one cooking zone, 12 power levels and a timer function. Features patented Realtime Temperature Control System with 3 sensors for fastest, safest, most precise and best pan acceptance. It is especially energy efficient and is operated using an easy to operate "Tip and Turn" control knob. The appliance is convenient and operationally reliable and its very short heating times are impressive.

Wok Ceran bowl of 300mm diameter.

STANDARD FEATURES

- Continuous temperature measurement at the bottom of the pan with RTCsmp technology (Realtime Temperature Control System multi-point)
- The reliable overheating protection prolongs the service life of both the induction appliance and the cookware
- Consistent power transfer over the entire cooking time for optimal cooking results
- Convenient cooking without heating up the cooking environment thanks to direct heat transfer from the hob to the pan by means of induction
- Easy to clean thanks to a removable, washable and reusable air filter
- Cool to touch cooking surface, means no "burn on" of food debris on the cooking surface
- Exceptionally robust and developed for continuous operation in the restaurant industry
- Includes 1 x 5.2 litre single handle wok pan
- Height Adjustable locking feet
- 2 year parts warranty

DIMENSIONS

380W x 473D x 200H mm

Weight: 18kg

TECHNICAL DATA

Total Output: 8kW
