

The Extra Heavy Duty Master Series' modular approach combines the convenience of custom kitchen design with proven, premium quality components to deliver world class functionality.

Featuring stainless steel construction front and sides, large front 'plate rail' 191mm deep and 2.5mm thick.

Premium 25mm thick even heat area with powerful cast iron 'H' burners controlled by Hi-Lo valve for even heat distribution.

Large easy-to-use control knobs are located beneath the front rail protected from any potential spills. The modular top sits on of top the 683mm high storage base.
