

The Extra Heavy Duty Master Series' modular approach combines the convenience of custom kitchen design with proven, premium quality components to deliver world class functionality.

Featuring stainless steel construction front and sides, large front 'plate rail' 191mm deep and 2.5mm thick.

Dual cast-iron 'knuckle' burners sit below removable cast-iron ring and lid for concentrated heat at the target area with heat graduating further away from the target. Protected individual pilot lights and flame failure as standard. Large 683mm deep work surface fits six 300mm pots easily and the design allows pots to slide across the surface easily.

Large easy-to-use control knobs sit atop the fully porcelain interior standard oven that accepts full sized sheet pans in both directions with 4-position rack guides. A 42.2MJ 'H' oven burner with flame failure and a strong adjustable door.

STANDARD FEATURES

- 152mm chrome steel adjustable legs
- Piezo Spark ignition for oven
