

Heated Holding Banquet Cabinet with stainless steel exterior with transport handles. Cabinet is controlled with an ON/OFF power switch, adjustable electronic thermostat which includes a heat indicator light and temperature set knob. 4 x chrome plated wire shelves included. A full perimeter, wall-friendly bumper is included, along with castors.

Banquet cart will hold covered meals without plate carriers. Additional shelves equip cart to hold pre-plated meals without covers, trays, and bulk food items in pans.

#### STANDARD FEATURES

- HALO HEAT a controlled, uniform heat source that gently surrounds food for better appearance, taste, and longer holding life.
- Close temperature tolerance and even heat application provides even heat from top to bottom – side to side.
- Holds pre-plated food fresh, flavourful, and hot.
- No moisture pans, water or canned heat needed.
- Designed to adapt to any type of banquet holding:
  - Covered plates, stacked
  - Covered or uncovered plate carriers
  - Accepts trays for banquet service
  - Additional shelves for full-size and half-size pans (gastronorm pans)
- Non-magnetic stainless steel interior resists corrosion.
- Full perimeter, wall-friendly bumper, transport handles, and heavy duty castors.

#### OPTIONAL FEATURES

- Plate carriers, uncovered or covered, specify size.
