

SAFETY DATA SHEET

RINSE AID

Safety Data Sheet

Page: 1 of 3

Issue Date: May 2015

RE-ISSUED by HYDROCHEM (HYDRO 533)

Product Name **Rinse Aid (CJET RINSE)**

Not classified as hazardous

1. Company Details / Identification

GHS Product Identifier Rinse Aid (CJET RINSE)
Company Name COMCATER
Address 156 Swann Drive, Derrimut
Vic 3030
Telephone/Fax Number Tel: (03) 8369 4600
Fax: (03) 8369 4666
Emergency Contact Poisons Information Centre - 13 11 26
Recommended use of the chemical and restrictions on use A rinse aid used in the cleaning process of food from metal surfaces.

2. Hazard Identification

GHS classification of the substance/mixture Not Classified as Hazardous according to the Global Harmonized System (GHS).
Not Classified as Hazardous according to Safe Work Australia.
Not Classified as a Dangerous Goods according to the Australian Dangerous Goods Code.

3. Composition/information on ingredients

Information on Composition All ingredients in this product are listed on the Australian Inventory of Chemical Substances (AICS).

Ingredients	Name	CAS	Proportion	Hazard Symbol	Risk Phrase
	2-Butoxyethanol (glycol, monobutyl ether)	111-76-2	0-1 %	Xn, Xi	R20/21/22, R37

4. First-aid measures

Inhalation Investigate possible misuse of material. Seek medical advice.
Ingestion Give water to drink. DO NOT induce vomiting.
Skin Wash affected areas with copious quantities of water immediately.
Eye contact Immediately irrigate with copious quantity of water for at least 15 minutes. Eyelids to be held open.
Advice to Doctor Treat symptomatically.

5. Fire-fighting measures

Suitable extinguishing media Fire fighters to wear self-contained breathing apparatus if risk of exposure to vapour or products of combustion. Use water spray. Use water fog. Use CO₂, dry chemical or foam.
Specific hazards arising from the chemical On burning will emit noxious fumes.

6. Accidental release measures

Spills & Disposal Contain using sand and earth - prevent runoff into drains and waterways. Mix in with a stiff brush. Sweep up, but avoid generating dust. Slippery when spilt. Avoid accidents, clean up immediately. Collect and seal in properly labelled drums for disposal. Wash area down with excess water.

7. Handling and storage

Precautions for Safe Handling Handle and open containers with care. Gently agitate drums before use to ensure homogeneity.

Issue Date: May 2015

RE-ISSUED by HYDROCHEM (HYDRO 533)

Product Name **Rinse Aid (CJET RINSE)**

Not classified as hazardous

Conditions for safe storage, including any incompatibilities Store in cool place and out of direct sunlight. Store away from sources of heat or ignition. Keep containers securely sealed and protected against physical damage.

8. Exposure controls/personal protection

Occupational exposure limit values	STEL		TWA		Footnote
	mg/m3	ppm	mg/m3	ppm	
Name					
2-Butoxyethanol (glycol, monobutyl ether)			121	25	
Personal Protective Equipment	The following personal equipment is recommended, safety glasses or goggles, rubber or nitrile gloves and protective clothing.				

9. Physical and chemical properties

Form	Liquid
Appearance	Clear pale blue liquid.
Specific Gravity	1.05 +/-0.01
pH	10 to 12
Flammability	Non flammable. Will burn if involved in a fire but not considered to be a significant fire risk.

10. Stability and reactivity

Chemical Stability	Stable under normal use conditons.
Conditions to Avoid	None known
Incompatible Materials	None known

11. Toxicological Information

Ingestion	Ingestion can cause nausea and vomiting.
Inhalation	Practically non-harmful by inhalation.
Skin	Contact with skin will result in moderate irritation.
Eye	A severe eye irritant.

12. Ecological information

Environmental Protection	Avoid contaminating waterways.
---------------------------------	--------------------------------

13. Disposal considerations

Waste Disposal	Refer to State Land Waste Management Authority or a Licensed disposal contractor for disposal. Empty containers must be decontaminated, rinse with water before landfill disposal.
-----------------------	--

14. Transport information

Transport Information	Not classified as Dangerous Goods according to the Australian Code for the Transport of Dangerous Goods by Road and Rail.
------------------------------	---

15. Regulatory information

Poisons Schedule	Not Scheduled
-------------------------	---------------

16. Other Information

Contact Person/Point Australian Distributor	Comcater National Head Office: 156 Swann Drive, Derrimut VIC 3030 Phone (03) 8369 4600 fax (03) 8369 4666
